TO WHOM IT MAY CONCERN:

This letter is to inform you that **Kishan Babubhai Kotadiya, Student Number 991.340.702, Date of Birth: 14-May-1994**, from India, is a registered full-time student in the Computer Systems Technology - Software Development and Network Engineering Co-op program at Sheridan College Institute of Technology and Advanced Learning, Brampton, Ontario. The Computer Systems Technology - Software Development and Network Engineering Co-op program is a three year diploma granting program with three cooperative education work terms. **The co-op work terms are an integral component of program studies.**

Kishan began program studies at Sheridan in September, 2013, and is currently registered in year two, term one of program studies. Kishan is expected to go out on the first coop work term from January to April, 2015. The following are Kishan's scheduled coop terms:

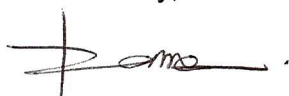

Coop 1 – January to April, 2015
Coop 2 – September to December, 2015
Coop 3 – May to August, 2016

Expected date of program completion is December, 2016.

If you require additional information, please do not hesitate to contact our office.
